Qs-2

Q.2: Write java Program to print 5 integer using for loop.

Code:-

```
import java
class Integer
{
    public static void main (String[] args)
    {
        System.out.println ("Integers are:");
        for (int i = 1; i <= 5; i++)
        {
            System.out.println (i);
        }
    }
}
```
